Jan's Jabber:

Greetings Sewers!

Once again I need to call all seamstresses to help out with local charities. They are calling and begging for donations! Ryans Smiles needs 500 Christmas pillow cases for the holiday season! Look through your stash and find some childrens prints or fun fabric you could spare from your collection and get stitching! We have a free pattern available online and in store if you need!

Meals on wheels and other hospice communities are collecting donated placemats and delivering meals with a little something extra to make the day of the people who receive them. Our Baby Sew program for Metro Hospital is in action most Wednesdays here at P&N. The group is wonderful! Come join us or drop off supply donations at any time. The Giving Doll Charity is absolutely amazing. They meet here one day a month and form an assembly line with everyone sewing, trimming, and stuffing these beautiful dolls to be given to children in need.

Sometimes I wonder which is doing the most good: helping others or how much it helps us? It truly helps the world go 'round.

Stop into the store to pick up a free pattern and join us in helping others.

Best,
Jan
